A human hand on the left reaches towards a glowing blue robotic hand on the right. The background is a gradient of blue. The text is centered in a dark horizontal band.

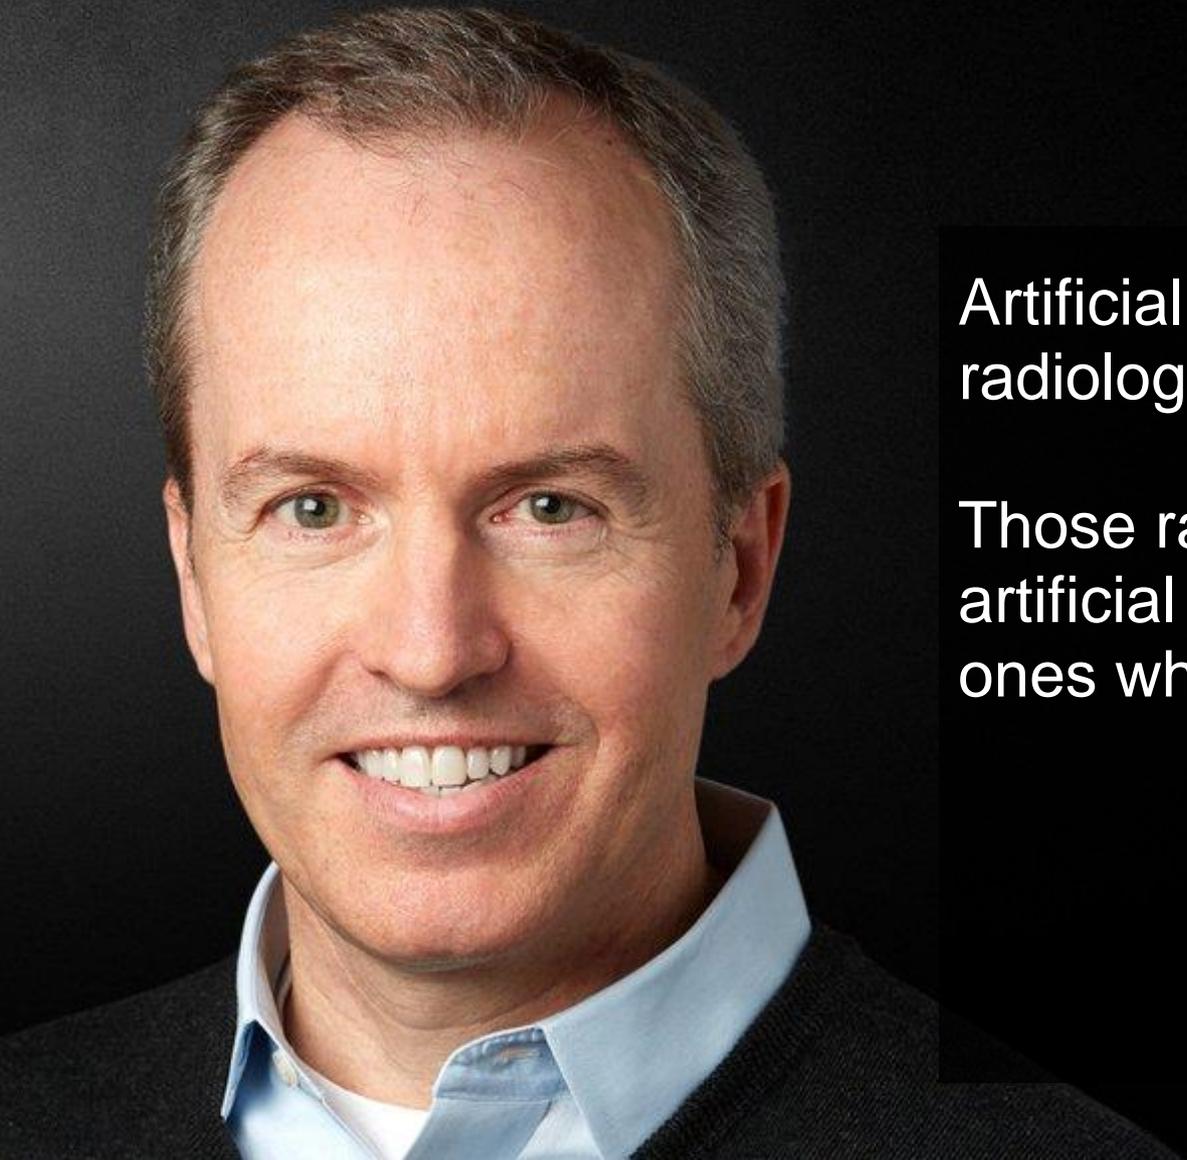

Artificial intelligence  
a once in a generation opportunity for finance

A human hand on the left reaches towards a glowing blue robotic hand on the right. The background is a gradient of blue. A dark horizontal band across the middle contains white text.

Human judgement  
the magical ingredient

Professor Curtis Langlotz  
Head of Radiology  
Stanford University

Artificial intelligence will not replace radiologists.

Those radiologists who use artificial intelligence will replace the ones who don't.

Artificial intelligence will not replace  
financial professionals.

Those financial professionals who  
use artificial intelligence will replace  
the ones who don't.

**FACT-CHECKING**

NETWORK @ Poynter.

The image depicts a futuristic digital landscape. The scene is dominated by glowing blue lines and data points on a dark background. The lines form a grid-like structure that curves and recedes into the distance, creating a sense of depth and perspective. The overall aesthetic is high-tech and digital, with a focus on light and shadow. The text 'www.futurecrun.ch' is centered in the middle of the image in a bright pink color.
